

Privacy notice — entry data and published results

Version 1.0 Published: 11 May 2026

Demo data — placeholder content. Not a real regulation.

What we collect when you enter a tournament, what we publish, and how long we keep it.

1. What we collect

Name, gender, birth date, club, licence number, an emergency contact, and for players under 18 a parent or guardian contact. Payment is handled by the bank; we see only the amount and reference.

2. What we publish

Entry lists, draws, results and rankings show your name, club and grade. We never publish contact details, and never publish birth dates of minors.

3. How long we keep it

Results stay in the public archive. Contact and guardian details are deleted 24 months after your last entry.

4. Your rights

You can ask for a copy of your data, a correction, or removal of your name from future published lists by writing to the tournament office.
