## 1. Format of play

Tbilisi Autumn Open 2026 is played on 24 – 25 October 2026 at Saburtalo Sports Arena. Events are knockout draws; events with 12 or more junior entries start with round-robin groups whose top two advance, and events of eight or fewer entries may be played as a single round-robin.

A player may enter at most **3 events**. Events with fewer than four entries are cancelled or merged, and the fee is refunded in full.

## 2. Scoring

Every match is the best of three games to 21 points, rally scoring. At 20-all the side that first leads by two points wins the game; at 29-all the side scoring the 30th point wins.

There is a 60-second interval when the leading side reaches 11 points and a two-minute interval between games.

## 3. Shuttles

Feather shuttles; each side brings two for every match and the organizer supplies finals.

The referee tests shuttle speed in the hall before play each day. Players may not change the shuttle without the umpire's agreement.
